**PRAJWALAN - 2019**

**FOUNDER - DIRECTOR'S MESSAGE.....**

Happy new year to all of you.

This year as we embark on a journey of learning and knowledge assimilation, a lot of firsts for us has already happened. Our first International conference has just concluded, wherein we had papers being presented from UK and Nepal. I am sure this will pave way, to many more such opportunities for our students and faculty.

When multi-tasking is the norm of the day, time management is crucial and an important aspect. We are all aware of the importance of maintaining and prioritizing our goals, so as to increase our efficiency and productivity. I am sure you will enjoy this issue of "Prajwalan", which highlights and provides insight into effective time management.

I would like to take this opportunity to congratulate the efforts of the editorial team who have yet again come up with a wonderful issue. I am sure you will enjoy it as much as they have in putting it up together.

**Ar.K.B. Mohapatra**

**FROM THE PEN OF HEAD, GOVERNING BODY.....**

Rapid technology changes and frantic pace of data-based infrastructure management has given rise to whole new industries and new disciplines of technical and managerial approach. "Prajwalan" 2019 attempts to bring out a few of such items to the forefront and aims to enhance awareness of the ABIT community in these new technology areas. I congratulate the editorial team for all their efforts and wish everyone a very happy 2019.

**Er.Satyadarshi Mishra**

**FROM THE DESK OF DIRECTOR- PLACEMENT AND NEW INITIATIVES**

I am very pleased to know that the engineering wing of the ABIT Trust is coming out with yet another issue of our annual magazine – Prajwalan. Igniting minds and leading them on a journey of knowledge is the role of any educational institute. Every year the editorial team works on a concept to ignite the learning and wisdom. This year's theme – Internet of Things, is on a progressive concept which I am sure will benefit the students. I would like to thank the editorial team for coming out with this latest issue of the college magazine.

Best wishes and a very happy new year to all of you.

Thank You

**Er. Payal Mohapatra**

**FROM THE DESK OF THE PRINCIPAL**

Wishing all a very happy and happening new year. The College newsletter will definitely help to showcase the achievements and new initiatives. It helps to build the team spirit. "If you want to achieve something stay together and work together to get success." So let's start with a new vigour to make many such achievements. This issue of "Prajwalan" highlights the emerging concept of IoT with equal emphasis on student achievements and developmental activities. I congratulate the Editorial Team for their efforts in bringing up this issue of Prajwalan, 2019.
