### From the desk of head governing board

Dear ABIT Family,

As we bid farewell to the year 2023, I would like to take this opportunity to congratulate you all for your achievements and contributions to the growth and development of our college. Despite the challenges, you have shown resilience, adaptability, and innovation in your academic and co-curricular pursuits. I would also like to express my gratitude to our faculty, staff, and alumni for their dedication, support, and guidance to our students. You have been the pillars of our institution, and your efforts have been instrumental in creating a conducive and enriching learning environment for our students. You have also been actively involved in various research, consultancy, and extension activities that have enhanced the reputation and visibility of our college. As we welcome the year 2024, I urge you all to continue your journey of excellence and innovation with renewed enthusiasm and passion. Let us strive to achieve our vision of becoming a leading institution of engineering and technology education in the country and beyond. May the year 2024 bring you joy, success, and fulfillment.

Sincerely,

Director of ABIT

### From the desk of Director- Placement and New Initiatives

Dear ABIT Family,

It is with great pleasure and pride that I write this message to you as the director of our esteemed college. As we close the chapter of the year 2023, I would like to applaud you all for your remarkable achievements and accomplishments in the field of engineering and technology. You have demonstrated your creativity, skills, and talents in various domains. I would also like to acknowledge and appreciate our faculty, staff, and alumni for their constant support, encouragement, and mentorship to our students. You have been the backbone of our institution, and your efforts have been crucial in providing a high-quality and holistic education to our students. You have also been actively engaged in various research, consultancy, and extension activities that have enriched the knowledge and society.

As we usher in the year 2024, I urge you all to continue your pursuit of excellence and innovation with more zeal and passion. Let us work together to achieve our mission of becoming a premier institution of engineering and technology education in the country and beyond.

May the year 2024 bring you happiness, success, and satisfaction.

Sincerely,

Director of ABIT

-Er. Payal Mohapatra

### From The Desk of The Principal:-

Greetings from ABIT!

I am delighted to welcome you all to the new year 2024 at Ajay Binay Institute of Technology. I am honored and privileged to serve as the principal of this prestigious institution, which has been imparting quality education and skill development to students since 1998. This achievement is not only a reflection of our hard work and dedication but also a testament to your support and encouragement. I would like to express my sincere gratitude to all our stakeholders for their valuable contribution to our institute's growth and success. I hope that you will join us in this endeavor with enthusiasm and passion. I assure you that we will do our best to provide you with quality education that meets your expectations.

Regards

Principal

Prof. (Dr.) Leena Samantaray
