About Us

Ajay Binay Institute of Technology (ABIT) has been a leading force in technical education in Odisha, India, since its inception in 1998. With over two decades of dedication to developing skilled professionals, ABIT has established itself as a premier institution known for its commitment to academic excellence and innovation. The institute's mission goes beyond traditional education, as it actively engages with rural communities to nurture and empower the next generation of technologists.

ABIT provides a vibrant learning environment enriched by state-of-the-art facilities and meaningful collaborations with top institutions and industry leaders. This combination of resources equips students to thrive in a constantly evolving technological landscape, preparing them for future challenges and opportunities.

As part of the prestigious ABIT Group, the institute upholds strong academic and professional credentials. ABIT is approved by the All India Council for Technical Education (AICTE), New Delhi, affiliated to Biju Patnaik University of Technology (BPUT), Odisha, and accredited by the National Assessment and Accreditation Council (NAAC). Additionally, it is recognized under Section 2(f) of the University Grants Commission (UGC), India. These affiliations highlight ABIT's commitment to maintaining high standards of education and delivering industry-relevant knowledge.

With a focus on blending theoretical learning with practical experience, ABIT continues to play a pivotal role in shaping the future of technical education in the region, staying true to its vision of bridging the gap between education and industry.

PRAJWALAN

Ajay Binay Institute of Technology

From the desk of Head Governing Board

I hope this message finds you in good health and high spirits. As we step into the year 2023, I am delighted to share with you the latest edition of our newsletter, Prajwalan.

In this issue, we celebrate the indomitable spirit of our students, faculty, and staff who continue to excel in their respective domains. Our commitment to excellence remains unwavering, and I am proud to witness the remarkable achievements of our ABIT community.

Thank you for being an integral part of our ABIT family. I invite you to explore the pages of Prajwalan, 2023-24, and celebrate the spirit of ABIT

-Er. Satyadarshi Mishra

From the desk of Director- Placement and New Initiatives

Hello Future Innovators,

At Prajwalan, we believe that technology and career growth go hand in hand. Our placement team has curated a stellar lineup of recruiters who recognize your potential.

As you engage in interviews, resume clinics, and networking sessions, remember that this isn't just about job placements-it's about finding your passion, your purpose, and your tribe.

Wishing you all the best as you embark on this transformative journey

-Er. Payal Mohapatra

From the desk of Principal

As we step into the vibrant year of 2023, I am filled with immense pride and gratitude for our esteemed institution, Ajay Binay Institute of Technology (ABIT). Our journey has been one of relentless pursuit of excellence, unwavering commitment to innovation, and fostering a nurturing environment for our students.

I extend my heartfelt gratitude to each one of you for being an integral part of the ABIT family. Let us continue to ignite minds, transform lives, and make a positive impact on society. Wishing you all a year filled with success, growth, and boundless possibilities.

-Prof. (Dr.) Leena Samantaray

VISION

- To promote quality teaching, exploration, research and facilitate holistic development of students that would help create capable technical manpower needed for industry and academia.

MISSION

- To enable efficiency and prosperity in the society through application of technical knowledge and in collaboration with industry and other institutions.
- Ensure an effective teaching on contemporary topics and a rational examination system.
- Support and create centers of excellence for exploratory technical and behavioral projects that would promote originality and uniqueness.
- Establish partnership with local industries for collaborating, understanding and addressing real life technical challenges.

STATE ENERGY CONSERVATION AWARD 2023 WINNER

➤➤➤ 14.12.2023

ABIT shines at the Odisha State Energy Conservation Awards 2023 held at Lokaseva Bhawan, Bhubaneswar. Our dedication to sustainability and energy efficiency has been recognized. Congratulations to our amazing team! This award fuels our commitment to a greener future.

NATIONAL ENERGY CONSERVATION DAY OBSERVATION

➤➤➤ 14.12.2023

Students of ABIT, Cuttack observed National Energy Conservation Day 2023 and participated in an awareness campaign to spread messages among the public and students about energy conservation and its necessity.

WORKSHOP ON WORKPLACE ETIQUETTE & SOFT SKILL FOR FACULTY

➤➤➤ 30.11.2023

On November 30, 2023, ABIT hosted a workshop aimed at enhancing workplace etiquette and fostering soft skill development for faculty members. The event aimed to cultivate a more professional and collaborative academic environment.

POSTER COMPETITION ON 7R-NEW CHOICE OF GREEN LIFE

➤➤➤ 15.12.2023

ABIT organized a poster competition on "7R-New Choice of Green Life" on December 15, 2023, promoting environmental consciousness. Participants showcased creative visions for sustainable living, emphasizing the importance of eco-friendly choices. The competition aimed to inspire a collective commitment to a greener future, encouraging innovative ideas and raising awareness about the positive impact of sustainable practices.

»»» NATIONAL CONFERENCE LTME2023

01.12.2023 & 02.12.2023

National Conference on "Latest Trends in Mechanical Engineering"! Day 1 was filled with insightful discussions, groundbreaking presentations, and a vibrant exchange of ideas.

Highlights:

- Engaging talks on Automation and Robotics
- Innovative insights into Rapid Prototyping
- Sustainable solutions in Green Manufacturing
- Simulation and Modeling advancements
- Exploring Composite & Smart Materials

Day 2 of the National Conference on "Latest Trends in Mechanical Engineering" soared with the following Highlights:

Highlights:

- Deep dives into Computational Analysis
- Insights into Industrial Engineering advancements
- Unveiling the potential of Industrial Internet of Things
- Inspiring discussions on Sustainable Development

VOLLEYBALL TOURNAMENT

»»» 20.11.2023

ABIT, Cuttack, organized a spectacular Annual Volleyball Tournament from 15th November to 20th November 2023. Teams from different colleges showcased their skills and sportsmanship, making it an unforgettable event. Kudos to all participants for their passion and dedication!

INDUSTRIAL VISIT TO LINGARAJ BISCUITS

»»» 18.11.2023

The MBA Department of ABIT organized an informative Industrial Visit to Lingaraj Biscuits Pvt. Ltd (Contract Manufacturers of Parle G) in Patia Bhubaneswar on 18.11.2023. The students received a thorough understanding of different management practices and processes during this tour.

INDUSTRIAL VISIT TO TRUPTI AUTOMOTIVES

»»» 08.11.2023

The Mechanical Engineering Department, ABIT, Cuttack, organized an enriching Industrial Visit to Trupti Automotives (TATA Motors) in Manguli, Cuttack, on November 8, 2023. The students gained invaluable insights during this insightful study tour.

»»» CHILDREN'S DAY CELEBRATION AT ABIT

11.11.2023

ABIT's Children's Day celebration was a huge success! The "Young Artists" showdown featured kids showcasing their talents in art, dance, and games. The event was filled with laughter and excitement, with little champs winning some fantastic prizes. Let's relive the joyous moments and applaud the creativity, dance moves, and game victories of our young talents!

»»» VISIT TO SAMPATRAI ROTARY SENIOR CITIZEN'S HOME, NARAJ, CUTTACK.

»»» 01.11.2023

On October 1st, 2023, ABIT observed Shram Daan Diwas with great enthusiasm and commitment at our #ABIT Campus! Our students and faculty came together for a Swachh Bharat Drive, leaving no stone unturned in making our campus and the surrounding area cleaner and more beautiful.

FIELD VISITS OF 1ST YEAR STUDENTS

»»» 30.09.2023

Our newly admitted engineering students have completed an enriching week-long Bridge Course, forging a strong foundation in science, math, and programming. This immersive experience also nurtured teamwork and curiosity.

INDUSTRIAL VISIT TO OPTCL GRID, BIDANASI

»»» 30.09.2023

The Department of Electrical Engineering, ABIT, Cuttack, organized an incredible Industrial Visit to the OPTCL 220/132/33KV Grid Substation Bidanasi on September 30, 2023. The visit provided students with valuable hands-on exposure to real-world power transmission operations.

»»» BRIDGE CLASS FOR NEWCOMERS

26.09.2023

Bridge Course at MBA Deptt. was a platform for the students to showcase their communication skills and talent through participation in extempore speech, poster painting, singing, and rangoli competitions. The event not only boosted the students' confidence but also fostered creativity and teamwork, helping them to build essential soft skills for their professional journey ahead.

ESTABLISHMENT OF AN INSTITUTION'S INNOVATION COUNCIL (IC202324620)

26.09.2023

Ajay Binay Institute of Technology (ABIT), Cuttack has taken a significant step towards fostering innovation and creativity on the campus.

We are now officially certified with an Institution's Innovation Council (IC202324620) in accordance with the norms of Innovation Cell, Ministry of Education, Govt. of India.

In the academic calendar year 2022-23, ABIT is committed to nurturing and promoting innovation among our students and faculty. This certification empowers ABIT to actively engage in various innovation-driven activities, fostering a vibrant ecosystem of creativity and entrepreneurship. With this initiative, the institute aims to equip students with the skills and mindset necessary to excel in today's dynamic technological landscape.

ORIENTATION PROGRAM FOR PG STUDENTS

23.09.2023

ABIT extended a warm welcome to its freshly enrolled MBA, MCA, and M.Tech students newly admitted for the session 2022-23 in a special Orientation Program on 23.09.2023. This marks the commencement of an exciting academic journey.

ORIENTATION PROGRAM FOR UG STUDENTS

22.09.2023

ABIT welcomed its newly admitted 1st year B.Tech students to campus with an Orientation Program on 22.09.2023. It's the beginning of an incredible journey. The Orientation Program introduced the students to the institute's vision, values, and academic culture, setting the tone for their transformative journey ahead.

SCIENCE QUIZ AT SSVN TULASHIPUR

16.09.2023

The Social Activities and Community Connect Cell of ABIT, Cuttack, organized a dynamic Science Quiz at Saraswati Shishu Vidya Mandir, Tulashipur, Cuttack, to mark Engineers' Day. An encouraging turnout of approximately 200 participants showcased their knowledge.

ULTRATECH PRATIBHA NIRMAAN AWARDS 2023

15.09.2023

Six outstanding students from the Civil Engineering Department have been honored with the prestigious UltraTech Pratibha Nirmaan: Student Excellence Award 2023!

▶▶▶ ULTRATECH PRATIBHA NIRMAAN AWARDS 2023

15.09.2023

Prof. Jyoti Ranjan Dixit (Asst. Professor, Deptt. of Civil Engineering, ABIT, Cuttack) has been awarded the UltraTech Pratibha Nirmaan: Teacher Appreciation Award 2023 for his exceptional contribution to education. Prof. Jyoti Ranjan Dixit's dedication to fostering academic excellence and his innovative teaching methods have significantly contributed to the development of his students. His relentless efforts in guiding young minds towards practical applications of civil engineering have earned him high regard among his peers. This prestigious recognition underscores his unwavering commitment to shaping future leaders in the field of engineering.

ODISHA STARTUP YATRA AT ABIT

▶▶▶ 16.09.2023

The Odisha Startup Yatra made a stop at our campus on 16th September 2023, with the aim of spreading awareness about entrepreneurship and inspiring students to share their ideas and embark on their journey towards creating startups. Many students of ABIT enthusiastically participated and shared their innovative startup ideas, making it an engaging and interactive session for our student community.

GRADUATION DAY CEREMONY 2023

▶▶▶ 15.09.2023

ABIT celebrated the incredible achievements of the Class of 2023 at ABIT, Cuttack in grand style on 15th September 2023. The air was filled with energy and enthusiasm as our graduates embarked on their next journey!

STARTUP AND IPR CONCLAVE

▶▶▶ 11.09.2023

We are pleased to announce the active participation of our students and faculties in the Startup and IPR Conclave (One Week One Lab) organized by CSIR-Institute of Minerals and Materials Technology (IMMT), Bhubaneswar, taking place from September 11th to 16th, 2023.

▶▶▶ ORIENTATION PROGRAM FOR LE STUDENTS

13.09.2023

All the Departments have organized informative orientation programs, introducing our 3rd-semester students to a plethora of student-centric activities. From pre-placement training to research & development, communication & confidence building, entrepreneurship development, applied research, and more, we're committed to nurturing your holistic development.

ABIT, CUTTACK AT NWM-2023

01.09.2023 to 02.09.2023

ABIT, Cuttack participated in the National Welding Meet 2023 (NWM-2023). Our students and faculties showcased their passion and commitment to welding excellence, gaining valuable insights and skills. The National Welding Meet 2023 (NWM-2023) was organized by IIW Bhubaneswar Centre at Utkal Chamber of Commerce and Industry Limited Hall, Bhubaneswar on 1st and 2nd September 2023. The event provided a unique platform for ABIT participants to interact with industry experts, explore the latest trends in welding technology, and strengthen their practical knowledge. Their active involvement demonstrated ABIT's dedication to enhancing technical competencies and fostering industry-academia collaboration.

TEACHERS' DAY CELEBRATION 2023

05.09.2023

Celebrating the driving force behind our success - Our Teachers!

ABIT, Cuttack, came alive with gratitude and admiration as we celebrated Teachers' Day with great enthusiasm. Our dedicated educators inspire us to reach for the stars. Thank you for lighting our paths!

FELICITATION TO TEACHERS FOR THEIR ACHIEVEMENT

05.09.2023

ABIT Celebrates Dr. Subhalaxmi Mohapatra and Dr. Biswaranjan Rout's Ph.D. Success!

ABIT proudly honors Dr. Subhalaxmi Mohapatra (Asst. Professor, ETC) and Dr. Biswaranjan Rout (Asst. Professor, MECH) for their exceptional Ph.D. achievements. Their dedication to advancing knowledge in Electronics and Mechanical Engineering reflects ABIT's commitment to academic excellence. Congratulations on this well-deserved recognition!

CELEBRATING THE ACHIEVEMENTS OF ALUMNI ON THE SUCCESS OF MISSION CHANDRAYAN-3

23.08.2023

ABIT congratulates to the incredible ISRO team and its two alumni Dr. Gourav Jayswal (Scientist, ISRO) and Ashique Rashid CTTC, Bhubaneswar, ODISHA for their extraordinary achievement. We are immensely proud to witness the remarkable Chandrayaan-3 mission. Your unyielding determination and commitment are a true source of pride and inspiration.

INDEPENDENCE DAY CELEBRATION 2023

»»» 15.08.2023
